150 years ago ...

Civil War

April 12, 1861 ... 150 years ago ... the U.S. Civil War began with the Confederate attack on Fort Sumter. Before our nation was reunited over 620,000 Americans gave their lives in the effort. Over 12,300 of these were from Wisconsin.

To honor the sesquicentennial, members of the Brown County Federation of History Museums are presenting a series of Civil War programs. Please join us in remembering this darkest period in our great nation's past.
